1. The fee to receive semen is a \$300 non-refundable fee which shall be payable upon the execution of this contract. This contract is for the season which begins February 1 and ends July 15th. The Mare will not be released to the owner or his representative until all fees are paid to date, unless other arrangements have been made between the Parties. We reserve the right to charge a late fee of 1.5% commencing 30 days after payment is due.
2. Suitable facilities will be provided for the care and feed of the mare and/or foal while in custody. Mare owner agrees to the following rates: Dry mares are \$12.00 per day. Wet mares are \$14.00 per day. Mares who will foal on premises will be charged as dry mares until foaling. Foaling is \$300 in addition to board expenses.
3. Stallion manager will exercise judgment in care and supervision of mare and/or foal. Mare Owner warrants that the Mare shall be in a healthy and sound breeding condition and agrees that the Stallion Manager has permission to have the Mare treated by a veterinarian as deemed necessary for the health and safety of the Mare and/or foal.
4. Reproductive and farrier expenses will be paid by Mare Owner as agreed above. We require a 16 day and 30 day pregnancy check on all mares. Reproduction fees average \$250 per heat cycle. Charges will be itemized and billed. Mare care and reproductive expenses must be paid in full when mare is picked up.
5. Stallion Manager will diligently try to settle the Mare as quickly as possible. Mare Owner agrees to give Stallion Manager ample opportunity to settle the mare (having bred her through at least two (2) heat periods within the season).
6. Neither the Stallion Manager, the Breeding Manager, the Stallion Owner, nor any person associated with them shall be liable for the death, sickness, and/or accident to the Mare and/or foal.
7. All parties acknowledge that this agreement is made and shall be entirely performed within the State of Colorado and shall be construed and enforced under the laws of the State of Colorado.
